

PSE-300 Replacement Water Filter

The PSE-300 fits just like the Everpure® H-104 / H-300 replacement water filter cartridge. It has an impressive 2,500 gallon filter life without any drop in water quality which is up to 9x the gallon capacity compared to the Everpure original. It reduces contaminants as small as 0.5 micron including lead, sediment, chlorine taste and odor, harmful cysts, and more to ensure the purest water possible. Delivers outstanding filtration for residential and commercial applications.

Features

Commercial Grade Filtration

- ✓ The stainless steel canister resists corrosion (unlike plastic) and protects the filter system from bursting or splitting
- ✓ High performance 2,500 gallon filter life

Great Tasting Water

- ✓ Keeps the vital minerals found naturally in water
- ✓ Coconut shell carbon block with 0.5 micron water filtration which absorbs offensive tastes and odors including common earthy, moldy, or fishy ones
- ✓ Reduces chlorine, chloramine, sediment, dirt, scale, and cloudiness

Added Benefits

- ✓ No activation required
- ✓ Quick, easy, and sanitary installation
- ✓ Twist-off filter head eliminates the dreaded hassle of changing water filters
