

Premiere PSE-1200

PSE-1200 Replacement Water Filter Set

The PSE-1200 fits just like the Everpure® H-1200 #1 and #2 replacement water filter cartridges. It has an impressive 5,000 gallon filter life without any drop in water quality which is up to 4x the gallon capacity compared to the Everpure original. It reduces contaminants as small as 0.5 micron including lead, sediment, chlorine taste and odor, harmful cysts, and more to ensure the purest water possible. Delivers outstanding filtration for residential and commercial applications.

Features

Commercial Grade Filtration

- ✓ The stainless steel canister resists corrosion and protects the filter system from bursting or splitting
- ✓ High performance 5,000 gallon filter life
- ✓ Outstanding flow rate of 2.1 gallons per minute

Great Tasting Water

- ✓ Keeps the vital minerals found naturally in water
- ✓ Coconut shell carbon block with 0.5 micron water filtration which absorbs offensive tastes and odors including common earthy, moldy, or fishy ones
- ✓ Reduces chlorine, chloramine, sediment, dirt, scale, and cloudiness

Added Benefits

- ✓ Tested to NSF Standard 42 and 53
- ✓ No activation required
- ✓ Quick, easy, and sanitary installation
- ✓ Twist-off filter head eliminates the dreaded hassle of changing water filters

Specifications

Micron Rating	0.5
